I'd like to propose replacing:

"“We have a diverse portfolio that includes digital currencies, but AML BitCoin is the one we are watching. We have taken a huge early position. It's the cryptocurrency equivalent of handing Mark Zuckerberg a check while he sits in his dorm room coding Facebook.”"

With:

We took a large early position in AML Bitcoin because we had faith in the company and Marcus and without a doubt we see Marcus and his team doing something few other blockchain companies are doing, executing well, and building a sound business strategy. This industry doesn't yet have a blockchain Page/Brin, or Bezos, but Marcus Andrade, with his AML Bitcoin is positioned to be precisely that in this industry.

Hello David,

Absolutely, please feel free to revise however you see fit.

Thank you
